

CRICH PARISH COUNCIL needs you!

If you care about Crich, and would like to help keep it a great place to live and work, why not become a Parish Councillor?

We have an immediate Councillor vacancy for Crich Ward.

No prior experience needed, just a positive outlook, willingness to work as part of a team, and a drive to be a voice for your local community.

We will support you in your new role, and expect you to undertake training so you are effective in that role. You will also need to be comfortable working electronically.

If you are over 18, live locally and feel you can make a real change, why not put yourself forward? Contact our Parish Clerk, Carolyn Jennings, to find out how to apply and check eligibility details.

Want to know more first? Speak to one of your Parish Councillors or call the Clerk for a chat on 01773 853928. We are waiting to hear from you!
